

NEW FACE COVERING ANNOUNCEMENT FOR OUR STAFF AND PATRONS:

Effective Friday, May 28, 2021 at 5:00 p.m., The Garden's Ice House, in compliance with the Prince George's County Executive Order, has adopted the following policy for guests of our facility:

*Face masks are NOT required for our guests who have been fully vaccinated against the COVID-19 virus.

*Unvaccinated guests over the age of 2 are strongly encouraged to continue wearing a face covering while inside where physical distancing cannot be maintained.

*In the interest of protecting our staff and guests, The Garden's Ice House will continue require our staff to wear masks at this time.

Please be respectful of those who choose to continue wearing a mask, and also please be respectful of people's personal space as we adjust to these new changes after a difficult year for so many in our community.
